## OBJECTIVE:

Seeking a position in a reputable corporation in the field of civil engineering, enabling me to start my career and continue in it successfully through achieving lots of remarkable milestones.

## EDUCATION:

2013 – 2018     **B.Sc. in Civil Engineering**  
Faculty of Engineering, El-Shorouk Academy,  
Department: Civil Engineering  
Major: General Civil Engineering  
Accumulated grade: Very good (3.1/4)

### **Graduation Project: Concrete Design Reinforcement.**

- Full design of high rise residential building, consists of 12 stories with unbraced columns, and raft design.
- Hall Project: Full design of frame system of 60 meters span supporting two levels.
- Tank Project: Full design of elevated tank at (+12.00) Level, with ring beams and isolated footings.

Grade : **Excellent**

2001 – 2013     **Modern English Language School**

**Military Status: Exempted**

## Experience skills set:

- **Site Engineer** October'18
  - Excavation works at New Capital at **Talaat Mustafa Group**.
- **CSI Diploma** August'17- September'17
  - A diploma held in **Cad Masters Training & Solutions**.
  - Learnt more techniques about high rise buildings design taking lateral loads into account.
- **Site Engineering** July'16
  - A two weeks training at building sites at El Shorouk City.
  - Overview on carpentry works of footing, columns, beams, and slabs. Also had an insight on steel bars works of footings, columns, beams and slabs, and some raft works.
  - Project associated by **EL-FAYEZ** corporate.

- **Site Engineering** August'15
  - A two weeks training at [Mall of Egypt](#).
  - In such period, main objective was to gain enough knowledge about different stages in construction phase.
  - Project associated by [RMC](#) corporate.
  
- **Technical Office Internship** July'15
  - A two weeks indoors training.
  - Learnt concepts of designing any project from civil engineering perspective.
  - Dealt with AutoCAD and SAP analysis to design a residential building.
  - Project associated by [RMC](#) corporate.

### **Skills set:**

Technical (Scientific / Engineering)

**Tools:** AutoCAD, SAP, SAFE, ETABS, CSIcol, ROBOT, Microsoft Office package

Personal

Leadership, Time management, Communication skills, Team worker.

### **Language skills:**

- Arabic: mother tongue
- English: very good
- Deutsch: basics

### **Personal details:**

- **DOB:** 06/05/1995
