I am writing to you to express my interest in applying for a pharmacist job.

I am Yousry Amin Rashad. I graduated with a bachelor's degree of pharmaceutical sciences from Faculty of Pharmacy, Zagazig University, Egypt in 2004 with a general grade of very good with honor degree.

I have got good experience from working in hospitals (military and governmental) in Egypt and here in Fakhry hospital. I am working here in Fakhry Hospital since 5/2008.

In Inpatient pharmacy,

Now, I am inpatient pharmacy supervisor since 05/2013 till now.

* I am doing supervision of pharmaceutical services in inpatient pharmacy

(providing high quality pharmaceutical services for the patients during dispensing medications in inpatient pharmacy by unit dose distribution system.

(which is supported by effective computer system which allows me to review the computerized order against patient data, medication data, high risk medication, contraindications, duplication, drug-drug interaction, drug-food interaction and allergy to the patient, * and if there are medication errors and reporting that, using also other ways to ensure patient safety like automatic stop order, standard administration time).

* Following up monthly patient care area inspection

And also, supervision of preparing the extemporaneous compounding.

In Outpatient pharmacy,

Supervisor of outpatient pharmacy since 10/2010 till 04/2013

* I was doing supervision of pharmaceutical services in outpatient pharmacy (following up of preparing and dispensing of prescriptions, taking care of the patients, making requesting orders for medications, reporting medication errors, following up of stocks, solving of work problems)

* I am sharing in Educational programs in the pharmacy. Drug information (outpatient and inpatient pharmacies) and setting up clinical data on the computerized system (like drug- drug interaction), and sharing in preparing guidelines of some medicines' administration (Antidotes, medications used in CPR)

I worked as a senior pharmacist in outpatient pharmacy (05/2008 – 09/2010) for dispensing the medications to the patients with good communication with the patients keeping in my mind “Be patient with the patient”, and good communication with the prescribing physicians for clarifying any doubts about medications or availability of medications or their alternatives, aware about stocks, about restrictions to the patients, entering medication into computerized patient profile.

We have passed Aramco survey by 100% in March 2010

In IV room,

I have worked in preparing of TPN and IV admixtures under aspects techniques.

Also, I gave course about TPN and IV admixtures for pharmacists & nurses in other nearly hospital

In medicines store,

I have worked in medicines store where I learned how to make orders for companies and reports about the costs of the medications, beside receiving the medications from the companies and dispensing to the patient care areas (outpatient, inpatient pharmacies, IV room and nursing units).

In all areas I treat with respecting all my college, my supervisors, my director and all staffs and with cooperation with all making team work for developing our hospital. I am hard worker, try to solve the work problems, work under stress, active, dynamic and flexible.

I got courses in

- 1) Clinical Pharmacology at Medicine Faculty of Cairo University.(2004)
- 2) Basic Cardiovascular Life Support at Fakhry and Al Rajhy hospital .Renewal (Al Khobar – 04/2015)
- 3) Advanced Cardiovascular Life Support (ACLS) at Saad Hospital (Al Khobar - 06/2013)

I had a Diploma of Pharmacotherapy at College of Cambridge online.

I would like to join your hospital to get more experience and a knowledge and at the same time, share in success of that hospital. I have an ambition to increase my knowledge and increasing my experiences through studying and practical working.

Thank you very much for considering my request. I look forward to your positive response.

Yours truthfully,
Yousry Amin Rashad El Shafey
