🎓 Education

Bachelor, Faculty of Computers and AI
CGPA: 3.2 (very good)

2020 – 2024
Benha, Egypt

Secondary School

Graduation degree : 96.2%

🧠 Skills

- Programming: **Python**
- Data Manipulation: **NumPy, Pandas**
- ML & DL: **Scikit-learn, TensorFlow, Transformers**
- AI Fields: **NLP, CV, Speech Recognition**
- Deployment & UI: **Streamlit, Google Colab**
- Version Control: **Git**

🌐 Languages

Arabic: Native

English: Intermediate (improving through practice and real projects)

📄 Certificates

AI Internship

Zewail City of Science and Technology (Jul 2023 - Sep 2023)

AWS Academy

AWS Academy
Data Engineering, AWS Academy (May, 2024)

Advanced Course to Machine Learning

National Telecommunication Institute (Dec 2024 - Jan 2025)

CCNA

Introduction to Networks, Cisco Academy (Oct, 2022)

📁 Projects

Alpha AI - Graduation Project

Build a system to detect and correct grammar, sentence structure, and spelling errors using NLP and deep learning. Focused on enhancing clarity and coherence in English text.

Tools: Python, Transformers, NLP, Deep Learning
