Profile

Dedicated PHP Developer with hands-on experience in building secure, scalable, and responsive web applications. Proficient in native PHP and frameworks such as Laravel and CodeIgniter. Skilled at writing clean code from scratch, integrating APIs, handling backend logic, and deploying on CPanel/WHM. Demonstrates strong ability to work both independently and collaboratively, with a focus on long-term stability and delivering under pressure.

Experience

Linkysoft (Freelance) - Full Stack Developer

Jul 2024 - Present

Developed full-stack vendor management systems using Laravel, jQuery, and MySQL. Handled integrations with S3-compatible storage and WhatsApp Business API.

Linkysoft (Freelance) - Full Stack Developer

Dec 2023 - Present

Worked on backend modules using native PHP and CodeIgniter. Implemented user authentication, API endpoints, and data validation logic.

Wael Gomaa Zakaria Ghazy

Full Stack / PHP Developer

Semicolon (Full-time) - Back End Developer

May 2024 - Aug 2024

Built and maintained backend features using PHP and MySQL. Utilized AJAX and jQuery for real-time client interactions. Deployed apps on CPanel and ensured server-side performance.
