

Mohamed Hosny

165 Second neighborhood, East first district, El-Shrok city

Shrok city, Cairo Governorate, 11837

Phone: 01014666099

E-mail: medohosny94@gmail.com

Summary

Fresh graduate with BA. Degree in electronics and communication engineering. Seeking to obtain a challenging position in a high quality network engineering environment where my passion for networking, IP addressing, Routing protocols, LAN, WAN networking, cybersecurity and problem solving will add value to organizational operations goals.

Education

Misr international university

Graduated July 2017

BSc. in Electronics and communication with GPA: 2.99

Graduation project title: Monitoring and controlling air pollution. (Grade: Excellent)

Dar El-Saada language school High School

Graduated June 2012

Experiences

Network Engineer (training)

Company Name: مركز المعلومات ودعم اتخاذ القرار بمجلس الوزراء - Information and Decision Support Center IDSC

Dates Employed Mar 2018

Location Cairo Governorate, Egypt

From 28/2/2018 - till now

Accomplishments

Certifications:

- *Cryptography*

Certification Date Apr 2018 – Present License 8YXC3EEZNX79

- *M20740- Storage and Compute with Windows Server*

Certification Date Apr 2018 – Present License X19-56827

- *Usable Security*

Certification Date Jan 2018 – Present License PAMS4YB2HFPP

- *Optical fiber installtion*

Certification Date Jan 2017 – Present

Courses:

- *Cisco Certified Network Associate (CCNA)*

Graduation Project:

- *Monitoring and controlling air pollution. (Grade: Excellent)*

Dec 2016 – Jun 2017

Project description

The project objective is to design a sensing device to measure the percentage of the vehicle exhaust gas and if the exhaust emission exceeds the percentage limit we alert the driver and tell him what is the possible problem in his vehicle that causes this high percentage and a mobile application to show the gases percentage and show the car location.

My role: Making database, web server and mobile application.

Team Size: 6

Hobbies & Interests

I'm interested in making web pages and web design with the basic web programming language like Html, css...etc.

I joined El-Nasr basketball team for 2 years .

Professional Skills

Routing and switching network:	Intermediate
Linux administration:	Intermediate
MySQL:	Intermediate
C++:	Beginner
Python:	Intermediate
php:	Beginner
HTML5:	Advanced
CSS3:	Advanced
JavaScript:	Beginner
Security concepts:	Intermediate
Cryptography:	Intermediate
Digital signatures and PKI:	Intermediate

Languages

Arabic:	Native
English:	Conversational
